

## Heirisson Prong project - publications and theses in date order

- Short, J. (1994). Rare and endangered - burrowing bettong. *Australian Natural History* **24**, 22-3.
- Short, J., Turner, B., Parker, S., and Twiss, J. (1994). Reintroduction of endangered mammals to mainland Shark Bay: a progress report. In 'Reintroduction Biology of Australian and New Zealand Fauna'. (Serena, M., ed.). Pp. 183-188. (Surrey Beatty & Sons: Chipping Norton, NSW, Australia.)
- Short, J. (1995). Interim Recovery Plan for the Western Barred Bandicoot (*Perameles bougainville*). Department of Conservation and Land Management, Perth, Western Australia.
- Jablonski, N.G. and Bowdler, S. (1997). Pre-contact human skeletal remains from Useless Loop, Western Australia. *Journal of the Royal Society of Western Australia* **80**, 249-254.
- Risbey, D.A., Calver, M.C., and Short, J. (1997). Control of feral cats for nature conservation. I. Field tests of four baiting methods. *Wildlife Research* **24**, 319-326.
- Richards, J.D. and Short, J. (1997). Rare and Endangered - Western Barred Bandicoot. *Nature Australia* **25**, 20-21.
- Sander, U., Short, J., and Turner, B. (1997). Social organisation and warren use of the burrowing bettong *Bettongia lesueur* (Macropodoidea: Potoroidae). *Wildlife Research* **24**, 143-157.
- Short, J., Turner, B., Risbey, D.A., and Carnamah, R. (1997). Control of feral cats for nature conservation. II. Population reduction by poisoning. *Wildlife Research* **24**, 703-714.
- Richards, J.D. (1998). Return of the natives. *Australian Geographic* **50**, 82-97.
- Richards, J.D. and Short, J. (1998). Wedge-tailed eagle *Aquila audax* predation on endangered mammals and rabbits at Shark Bay, Western Australia. *Emu* **98**, 23-31.
- Paton, A. (1999). The effects of grazing by sheep on the abundance of the sandhill frog, *Arenophryne rotunda*. (Honours thesis: University of Western Australia).
- Risbey, D.A., Calver, M.C., and Short, J. (1999). The impact of cats and foxes on the small vertebrate fauna of Heirisson Prong, Western Australia: I. Exploring potential impact using diet analysis. *Wildlife Research* **26**, 621-630.
- Short, J. (1999). Decline and Recovery of Australian Mammals, with particular emphasis on the burrowing bettong, *Bettongia lesueur*. 207 pp. (PhD thesis: Murdoch University).
- Freegard, C. (2000). Age specific survival and fecundity of burrowing bettongs (*Bettongia lesueur*) at Heirisson Prong, Western Australia. (Honours thesis: Murdoch University).
- Parsons, B. (2000). Spatial distribution and warren use of burrowing bettongs (*Bettongia lesueur*) at Heirisson Prong, Western Australia. (Honours thesis: Murdoch University).
- Risbey, D.A. (2000). The impact of cats and foxes on small terrestrial vertebrates and the control of feral cats at Heirisson Prong. (PhD thesis: Murdoch University).
- Risbey, D.A., Calver, M.C., Short, J., Bradley, J.S., and Wright, I.W. (2000). The impact of cats and foxes on the small vertebrate fauna of Heirisson Prong, Western Australia: II. A field experiment. *Wildlife Research* **27**, 223-235.
- Richards, J.D., Short, J., and Cane, B. (2000). A Short History of Community Involvement in the Heirisson Prong Endangered Mammal Research Project 1989 to 1999, and Beyond .... Useless Loop Community Biosphere Group, Inc. and CSIRO, Perth.

Robley, A.J. (2000). The comparative ecology of the burrowing bettong (*Bettongia lesueur*) and the European rabbit (*Oryctolagus cuniculus*). (PhD thesis: Murdoch University).

Short, J. (2000). Reintroducing endangered mammals - the Heirisson Prong experience. In 'Biodiversity and the reintroduction of native fauna to Uluru-Kata Tjuta National Park'. (Gillen, J.S., Hamilton, R., Low, W.A., and Creagh, C., eds). Pp. 75-82. (Bureau of Rural Science: Kingston, ACT.)

Short, J. and Turner, B. (2000). Reintroduction of the burrowing bettong *Bettongia lesueur* (Marsupialia: Potoroidae) to mainland Australia. *Biological Conservation* **96**, 185-196.

Visser, R. (2000). Relationships between reproductive rate, population density and diet in western barred bandicoots (*Perameles bougainville*) on Heirisson Prong. (Honours thesis: University of Western Sydney).

Richards, J.D., Copley, P.B., and Morris, K.D. (2001). The Wopilkara's Return. *Nature Australia* **26**, 52-61.

Robley, A.J., Short, J., and Bradley, J.S. (2001). Dietary overlap between the burrowing bettong (*Bettongia lesueur*) and the European rabbit (*Oryctolagus cuniculus*) in semi-arid coastal Western Australia. *Wildlife Research* **28**, 341-349.

Parsons, B., Short, J., and Calver, M.C. (2002). Evidence for male-biased dispersal in a reintroduced population of burrowing bettongs *Bettongia lesueur* at Heirisson Prong, Western Australia. *Australian Mammalogy* **24**, 219-224.

Robley, A., Short, J., and Bradley, J.S. (2002). Do European rabbits (*Oryctolagus cuniculus*) influence the population ecology of the burrowing bettong (*Bettongia lesueur*)? *Wildlife Research* **29**, 423-429.

Short, J., Kinnear, J.E., and Robley, A. (2002). Surplus killing by introduced predators in Australia - evidence for ineffective anti-predator adaptations in native prey species? *Biological Conservation* **103**, 283-301.

Short, J., Turner, B., and Risbey, D.A. (2002). Control of feral cats for nature conservation. III. Trapping. *Wildlife Research* **29**, 475-487.

Richards, J.D. and Short, J. (2003). Reintroduction and establishment of the western barred bandicoot *Perameles bougainville* (Marsupialia: Peramelidae) at Shark Bay, Western Australia. *Biological Conservation* **109**, 181-195.

Richards, J.D. (2004). The First Reintroduction of the Western Barred Bandicoot (*Perameles bougainville*) to Mainland Australia. 256 pp. (PhD thesis: University of Sydney).

Short, J. and Turner, B. (2005). Control of feral cats for nature conservation. IV. Population dynamics and morphological attributes of feral cats at Shark Bay, Western Australia. *Wildlife Research* **32**, 489-501.

Short, J. (2007). Controversial cats. *Landscape* **23**, 55-61.

Freegard, C., Calver, M.C., Richards, J.D., and Bradley, J.S. (2008). Age estimation of pouch young and growth of the burrowing bettong, *Bettongia lesueur*, (Marsupialia: Potoroidae) on Heirisson Prong, Shark Bay, Western Australia. *Australian Mammalogy* **29**, 157-167.

Short, J. (2016). Predation by feral cats key to the failure of a long-term reintroduction of the western barred bandicoot *Perameles bougainville*. *Wildlife Research* **43**, 38-50.

Short, J., O'Neill, S., and Richards, J.D. (2018). Irruption and collapse of a population of pale field-rat *Rattus tunneyi* at Heirisson Prong, Shark Bay, Western Australia. *Australian Mammalogy* **40**, 36-46.

Short, J., Richards, J.D., and O'Neill, S. (2018). Reintroduction of the greater stick-nest rat to Heirisson Prong, Shark Bay: an unsuccessful attempt to establish a mainland population. *Australian Mammalogy* **40**, 269-280.
