

# JEFF SHORT - LIST OF PUBLICATIONS

January 2023

## Refereed papers in primary journals

- Short, J. (1981). Diet and feeding behaviour of the forest elephant. *Mammalia* **45**, 177-185.
- Short, J. and Grigg, G.C. (1982). The abundance of kangaroos in suboptimal habitats: wheat, intensive pastoral, and mallee. *Australian Wildlife Research* **9**, 221-227.
- Short, J. (1982). Habitat requirements of the brush-tailed rock-wallaby, *Petrogale penicillata*, in New South Wales. *Australian Wildlife Research* **9**, 239-246.
- Short, J. (1983). Density and seasonal movements of forest elephant (*Loxodonta africana cyclotis*, Matschie) in Bia National Park, Ghana. *African Journal of Ecology* **21**, 175-184.
- Short, J., Caughley, G., Grice, D. and Brown, B. (1983). The distribution and abundance of kangaroos in relation to environment in Western Australia. *Australian Wildlife Research* **10**, 435-452.
- Caughley, G., Grigg, G.C. and Short, J. (1983). How many kangaroos? *Search* **14**, 151-152.
- Short, J. (1985). The functional response of kangaroos, sheep and rabbits in an arid grazing system. *Journal of Applied Ecology* **22**, 435-447.
- Short, J. and Bayliss, P. (1985). Bias in aerial survey estimates of kangaroo density. *Journal of Applied Ecology* **22**, 415-422.
- Grice, D., Caughley, G. and Short, J. (1985). Density and distribution of emus. *Australian Wildlife Research* **12**, 69-73.
- Short, J. (1986). The effect of pasture availability on food intake, species selection and grazing behaviour of kangaroos. *Journal of Applied Ecology* **23**, 559-571.
- Grice, D., Caughley, G. and Short, J. (1986). Density and distribution of the Australian bustard (*Ardeotis australis*). *Biological Conservation* **35**, 259-267.12.
- Caughley, G., Short, J., Grigg, G.C. and Nix, H. (1987). Kangaroos and climate: an analysis of distribution. *Journal of Animal Ecology* **56**, 751-761.
- Short, J. and Hone, J. (1988). Calibrating aerial surveys of kangaroos by comparison with drive counts. *Australian Wildlife Research* **15**, 277-84.

- Short, J., Caughley, G., Grice, D. and Brown, B. (1988). The distribution and relative abundance of camels in Australia. *Journal of Arid Environments* **15**, 91-97.
- Hone, J. and Short, J. (1988). A note on the sightability of emus during aerial survey. *Australian Wildlife Research* **15**, 647-9.
- Short, J. (1989). The diet of the brush-tailed rock-wallaby in New South Wales. *Australian Wildlife Research* **16**, 11-18.
- Short, J. and Milkovits, G. (1990). Distribution and status of the brush-tailed rock-wallaby in south-eastern Australia. *Australian Wildlife Research* **17**, 169-179.
- Short, J. and Turner, B. (1991). Distribution and abundance of spectacled hare-wallabies and euros on Barrow Island, Western Australia. *Wildlife Research* **18**, 421-429.
- Short, J. and Turner, B. (1992). The distribution and abundance of the banded and rufous hare-wallabies, *Lagostrophus fasciatus* and *Lagorchestes hirsutus*. *Biological Conservation* **60**, 157-166.
- Short, J., Bradshaw, S.D., Giles, J.R., Prince, R.I.T., and Wilson, G.R. (1992). Reintroduction of macropods (Marsupialia: Macropodoidea) in Australia - a review. *Biological Conservation* **62**, 189-204.
- Short, J. and Turner, B. (1993). The distribution and abundance of the burrowing bettong (Marsupialia: Macropodoidea). *Wildlife Research* **20**, 525-534.
- Short, J. and Turner, B. (1994). A test of the vegetation mosaic hypothesis - an hypothesis to explain the extinction of Australian mammals. *Conservation Biology* **8**, 439-449. Reprinted as Chapter 21 in Samson, F.B and Knopf, F.L. (eds). (1996). *Ecosystem Management: Selected Readings*. Springer, NY. 462 pp.
- Short, J. and Smith, A. (1994). Mammal decline and recovery in Australia. *Journal of Mammalogy* **75** (2): 288-297.
- Sander, U., Short, J., and Turner, B. (1997). Social organisation and warren use of the burrowing bettong (Macropodoidea: Potoroidae). *Wildlife Research* **24**, 143-157.
- Risbey, D.A., Calver, M.C., and Short, J. (1997). Control of feral cats for nature conservation I. Field test of four baiting methods. *Wildlife Research* **24**, 319-326.
- Short, J., Turner, B., Risbey, D.A., and Carnamah, R. (1997). Control of feral cats for nature conservation. II. Population reduction by poisoning. *Wildlife Research* **24**, 703-714.

- Short, J., Turner, B., Majors, C. and Leone, J., (1997). The fluctuating abundance of endangered mammals on Bernier and Dorre Islands, Western Australia - conservation implications. *Australian Mammalogy* **20**, 53-61.
- Calver, M.C., King, D.R., Risbey, D.A., Short, J., and Twigg, L.E. (1998). Ecological blunders and conservation: the impact of introduced foxes and cats on Australia native fauna. *Journal of Biological Education* **32**, 67-72
- Richards, J.D. and Short, J. (1998). Wedge-tailed eagle *Aquila audax* predation on endangered mammals and rabbits at Shark Bay, Western Australia. *Emu* **98**, 23-31.
- Short, J. (1998). The extinction of rat-kangaroos (Marsupialia: Potoroidae) in New South Wales, Australia. *Biological Conservation* **86**, 365-377.
- Short, J., Richards, J.D., and Turner, B. (1998). Ecology of the western barred bandicoot (*Perameles bougainville*) (Marsupialia: Peramelidae) on Dorre and Bernier Islands, Western Australia. *Wildlife Research* **25**, 567-586.
- Short, J. and Turner, B. (1999). Ecology of burrowing bettongs, *Bettongia lesueur* (Marsupialia : Potoroidae) on Dorre and Bernier Islands, Western Australia. *Wildlife Research* **26**, 651-669.
- Risbey, D.A., Calver, M.C., and Short, J. (1999). The impact of cats and foxes on the small vertebrate fauna of Heirisson Prong, Western Australia: I. Exploring potential impact using diet analysis. *Wildlife Research* **26**, 621-630.
- Risbey, D.A., Calver, M.C., Short, J., Bradley, J.S. and Wright, I.W. (2000). The impact of cats and foxes on the small vertebrate fauna of Heirisson Prong, Western Australia: II. A field experiment. *Wildlife Research* **27**(3), 223-235.
- Short, J. and Turner, B. (2000). Reintroduction of the burrowing bettong *Bettongia lesueur* (Marsupialia: Potoroidae) to mainland Australia. *Biological Conservation* **96**, 185-196.
- Glen, A.S. and Short, J. (2000). The control of dingoes in New South Wales in the period 1883 - 1930 and its likely impact on their distribution and abundance. *Australian Zoologist* **31**, 432-442.
- Short, J. and Calaby, J. H. (2001). The status of Australian mammals in 1922 - collections and field notes of museum collector Charles Hoy. *Australian Zoologist*, **31** (3), 533-529.

- Richards, J. D., Short, J., Prince, R. I. T., Friend, J. A., and Courtenay, J. M. (2001). Biology of banded and rufous hare-wallabies (*Lagostrophus fasciatus* and *Lagorchestes hirsutus*) (Diprotodontia: Macropodidae) on Dorre and Bernier Islands, Western Australia. *Wildlife Research* **28**, 311-322.
- Robley, A. J., Short, J., and Bradley, J. S. (2001). Dietary overlap between the burrowing bettongs (*Bettongia lesueur*) and European rabbit (*Oryctolagus cuniculus*) in semi-arid coastal Western Australia. *Wildlife Research*, **28**, 341-349.
- Short, J., Kinnear, J. E., and Robley, A. (2002). Surplus killing by introduced predators in Australia - evidence for ineffective anti-predator adaptations in native prey species. *Biological Conservation*, **103**, 283-301.
- Robley, A., Short, J., and Bradley, J. S. (2002). Do European rabbits (*Oryctolagus cuniculus*) influence the population ecology of burrowing bettong (*Bettongia lesueur*)? *Wildlife Research* **28**, 423-429.
- Short, J., Turner, B., and Risbey, D. A. (2002). Control of feral cats for nature conservation. III. Trapping. *Wildlife Research* **29**, 475-487.
- Parsons, B., Short, J., and Calver, M. C. (2002). Evidence for male-biased dispersal in a reintroduced population of burrowing bettongs *Bettongia lesueur* at Heirisson Prong, Western Australia. *Australian Mammalogy* **24**, 219-224.
- Richards, J.D. and Short, J. (2003). Reintroduction of the western barred bandicoot to mainland Australia. *Biological Conservation* **109**, 181-195.
- Short, J. (2005). Mammal decline in southern Western Australia- perspectives from Shortridge's collections of mammals in 1904-07. *Australian Zoologist* **32**, 605-628.
- Short, J. and Turner, B. (2005). Control of feral cats for nature conservation. IV. Population dynamics and morphological attributes of cat populations at Shark Bay, Western Australia. *Wildlife Research* **32**, 489-501.
- Burbidge, A.A., Short, J., and Fuller, P.J. (2007). Relict *Bettongia lesueur* warrens in Western Australian deserts. *Australian Zoologist* **34**, 97-103.
- Parsons, B., Short, J., and Roberts, J.D. (2008). Contraction in the range of Malleefowl (*Leipoa ocellata*) in Western Australia: a comparative assessment using presence-only and presence-absence datasets. *Emu* **108**, 221-231.

- Parsons, B., Short, J., and Roberts, J.D. (2009). Using community knowledge to predict the occurrence of Malleefowl (*Leipoa ocellata*) in the Western Australian wheatbelt. *Biological Conservation* **142**, 364-374.
- Short, J., Hide, A., and Stone, M. (2011). The habitat requirements of the endangered red-tailed phascogale *Phascogale calura*. *Wildlife Research* **38**, 359-369.
- Short, J. and Hide, A. (2012). Distribution and status of the red-tailed phascogale *Phascogale calura*. *Australian Mammalogy* **34**, 88-99.
- Short, J. and Hide, A. (2014). Successful reintroduction of brushtail possum to Wadderin Sanctuary in the eastern wheatbelt of Western Australia. *Australian Mammalogy* **36**, 229-241.
- Short, J. and Hide, A. (2015). Successful reintroduction of red-tailed phascogale to Wadderin Sanctuary in the eastern wheatbelt of Western Australia. *Australian Mammalogy* **37**, 234-244.
- Short, J. (2016). Predation by feral cats key to the failure of a long-term reintroduction of the western barred bandicoot *Perameles bougainville*. *Wildlife Research* **43**, 38-50.
- Legge, S., Murphy, B.P., McGregor, H., Woinarski, J.C.Z., Augusteyn, J., Ballard, G., Baseler, M., Buckmaster, T., Dickman, C.R., Doherty, T., Edwards, G., Eyre, T., Fancourt, B.A., Ferguson, D., Forsyth, D.M., Geary, W.L., Gentle, M., Gillespie, G., Greenwood, L., Hohnen, R., Hume, S., Johnson, C.N., Maxwell, M., McDonald, P.J., Morris, K., Moseby, K., Newsome, T., Nimmo, D., Paltridge, R., Ramsey, D., Read, J., Rendall, A., Rich, M., Ritchie, E., Rowland, J., Short, J., Stokeld, D., Sutherland, D.R., Wayne, A.F., Woodford, L., and Zewe, F. (2017). Enumerating a continental-scale threat: How many feral cats are in Australia? *Biological Conservation* **206**, 293-303.
- Short, J., O'Neill, S., and Richards, J.D. (2018). Irruption and collapse of a population of pale field-rat *Rattus tunneyi* at Heirisson Prong, Shark Bay, Western Australia. *Australian Mammalogy* **40**, 36-46.
- Short, J., Richards, J.D., and O'Neill, S. (2018). Reintroduction of the greater stick-nest rat to Heirisson Prong, Shark Bay: an unsuccessful attempt to establish a mainland population. *Australian Mammalogy* **40**, 269-280.

Short, J., Copley, P.B., Ruykys, L., Morris, K.D., Read, J., and Moseby, K.E. (2019). Review of translocations of the greater stick-nest rat (*Leporillus conditor*) - lessons learnt to facilitate ongoing recovery. *Wildlife Research* **46**, 455-475.

White, D.J., Ottewell, K., Spencer, P.B.S., Smith, M., Short, J., Sims, C., and Mitchell, N.J. (2020). Genetic consequences of multiple translocations of the banded hare-wallaby in Western Australia. *Diversity* **12**(12), 448; doi:10.3390/d12120448

O'Neill, S., Short, J., and Calver, M.C. (2021). The distribution, habitat preference and population dynamics of the pale field-rat *Rattus tunneyi* at Edel Land, Shark Bay, Western Australia: the role of refuges and refugia in population persistence. *Wildlife Research* **48**, 444-457; doi:10.1071/WR20005.

Short, J. (2023). Irruptive dynamics of the brush-tail bettong (*Bettongia penicillata*) when reintroduced to a fenced sanctuary with feral cats present. *Wildlife Research* **50**(2), 85-95. doi: 10.1071/WR22063.

### **Other published and unpublished material**

#### *Refereed book chapters*

Short, J. (1987). Factors affecting the food intake of rangelands herbivores. Pages 84-99 in Caughley, G., Shepherd, N. and Short, J. (eds) (1987). *Kangaroos: their ecology and management in the sheep rangelands*. Cambridge University Press, Cambridge.

Roberston, G., Short, J. and Wellard, G. (1987). The environment of the Australian sheep rangelands. Pages 14-34 in Caughley, G., Shepherd, N. and Short, J. (eds) (1987). *Kangaroos: their ecology and management in the sheep rangelands*. Cambridge University Press, Cambridge.

Short, J., Turner, B., Parker, S. and Twiss, J. (1994). Reintroduction of endangered mammals to mainland Shark Bay - a progress report. Pages 183-188 in Serena, M (ed.). *Reintroduction Biology of Australasian Fauna*. Surrey Beatty, Chipping Norton, N.S.W.

Abbott, I.J., Peacock, D., and Short, J. (2014). The new guard: the arrival and impacts of cats and foxes. In '*Carnivores of Australia*'. Pages 64-104 in Glen A.S. and Dickman, C.R. CSIRO Publishing, Melbourne.
